Description

The 300hp Verado premium outboard redefines the category with advanced engineering, innovative technology and refined operation. Representing the pinnacle of superior outboard design and performance Verado is unrivalled on the water. Built to power the largest boats for the boldest adventures, Verado engines boast advanced engineering and refined operation for boat owners who refuse to compromise. Every Verado feature is designed to deliver the ultimate, most satisfying on-water experience. The smooth, refined power of a V-8 4.6-litre powerhead delivers exhilarating acceleration and top speed to run offshore with confidence. Generous displacement and robust design provide uncompromising durability and reliability. The Mercury-exclusive Advanced MidSection (AMS) and under-cowl noise management features set the standard for smooth, quiet marine propulsion. Verado models now come with a 3+3=6 Year factory Warranty. ENGINE DETAILS

Lighter than its competition yet built to withstand the rigors of saltwater operation. For go-fast boats and commercial offshore operations that operate in rough seas or need more speed. Great for deck, inflatable rigid hull, inshore fishing, multi-species fishing, offshore fishing, and runabout cuddy boats, and tritoons. SPECIFICATIONS - 300
