Description

CHALLENGER 650HT

Challenger 650HT â€“ Protection and Comfort

The Challenger 650HT brings hardtop practicality to the range. Offering shelter from sun, wind and passing showers, a hardtop configuration can make a real difference to comfort when conditions change.

This model is well suited to buyers who value protection, functionality and a dedicated space for fishing or cruising. The hardtop design also provides a practical setup for those who want to make the most of their time on the water throughout the seasons.

Ask **Auckland Marine Centre** about the Challenger 650HT and the available options for tailoring your boat to your preferred activities.

Turn Key Boating.
