CHALLENGER 650SE

Challenger 650SE â€“ Step Up in Size

For buyers wanting a larger boat, the Challenger 650SE deserves serious consideration. Its position in the range makes it an appealing choice for those seeking additional space and flexibility for fishing trips, coastal adventures and family outings.

The 650SE is worth comparing with the smaller SE models if you want more room for passengers and equipment while retaining the open-style configuration.

Visit **Auckland Marine Centre** to compare the Challenger 650SE with the rest of the lineup and find the right fit for your needs.
