## Description

**CHALLENGER 720HT SPECIAL OFFER**

**Challenger 720HT â€“ Bigger Boat, Bigger Opportunities**

At the top end of this featured range, the Challenger 720HT is an option for buyers seeking a larger hardtop boat with greater scope for extended coastal trips, fishing adventures and time away with family and friends.

Its larger size and hardtop configuration make it an attractive model to investigate if you're looking for a more substantial boat with added shelter and practical versatility.

For buyers considering a step up in size, the 720HT is worth comparing with the 650HT to establish which model is the best layout and performance requirements.

Pop into **Auckland Marine Centre** to learn more about the Challenger 720HT and what it has to offer.
