Futura Series 7 â€“ The Ultimate Trailer for Your Boat

Take your boating experience to the next level with the **Futura Series 7** â€" a premium trailer engineered for larger boats and serious boat owners. Designed for boats from approximately **6.5 to 8 metres**, the Series 7 combines strength, stability and innovative engineering with Futuraâ€™s lightweight, anodised aluminium construction. With a capacity of up to **2,500kg**, it gives you the confidence to tow your pride and joy safely and smoothly.

Why choose Futura Series 7? **Premium anodised aluminium construction** â€“ lightweight, strong and highly resistant to corrosion. **Weld-free chassis design** â€“ engineered for durability and long-term reliability. **Tandem load-sharing torsion axles** â€“ providing a smoother, more stable towing experience. **Multi-roller system** â€“ designed to make launching and retrieving your boat easier. **Built for New Zealand conditions** â€“ particularly suited to regular saltwater use. **Smart, modern design** â€“ a trailer that looks every bit as good as the boat sitting on it. **Easy maintenance** â€“ quality components and corrosion-resistant materials help reduce ongoing maintenance.

It looks fantastic, it tows beautifully, it resists corrosion and itâ€™s engineered to last.
