

6HP Suzuki 4 Stroke Outboard

\$1899.00

Description

Suzuki DF6A

THREE-WAY STORAGE The design allows the outboard to be removed from the boat and placed on any of its three sides for storage.

LIGHTWEIGHT In addition to a redesigned stylish appearance, the newly designed and developed Suzuki DF6A, boast the unrivalled lightweight, 24.0Kg (S-shaft models). The lighter weight has improved portability as well as operability.

OVERHEAD TANK The integral overhead 1L capacity fuel tank and one-way valve delivers fuel supply using gravity. Can also be used with an external tote tank - (not supplied).

ANTI CORROSION Suzuki protects the outboard's exterior from harmful corrosion with its own specially formulated anti-corrosion finish. Applying the finish directly to the outboard's aluminium surface, allows maximum bonding of the finish to the surface to increase durability and help protect parts that are constantly exposed to saltwater.
