

Dolphin 2.6RIB

\$2950

Auckland Marine Centre

Description

Dolphin 2.6m Alloy RIB Inflatable

Compact, lightweight and extremely practical – this Dolphin 2.6m RIB is the perfect tender, runabout or easy-to-handle fishing boat.

Featuring a durable aluminium hull and 420mm tubes, this model offers excellent stability and strength while remaining easy to launch, retrieve and transport.

Specifications:

• Length Overall: 2.6m

• Tube Diameter: 420mm

• Hull: Aluminium

• Hull Weight: 42kg

• Maximum HP: 8hp

The alloy hull provides added durability compared to traditional soft-bottom inflatables, with improved handling and performance. At just 42kg hull weight, it's easy for two people to move and ideal as a yacht tender.

A great option for anyone wanting the versatility of an inflatable with the strength of a rigid hull – at a fraction of the cost of larger RIB packages.
