MD-270/Mercury 3.3hp Package

Package $2,498

Description

Our Inflatable Boats have been built since 1999. The quality and style of these boats have been continually improved as they continued getting feedback from the international community resulting in the high quality product we have on offer today.

All models have welded seams and reinforced beading over the inner joins for additional strength.

The quality of the material reaches a high international standard passing the thickness, weight, tensile, tearing and adhesive tests required to qualify. You can be sure our Inflatable Boats are up to the task after rigorous testing on all Materials used. MD-270 Key Features: Multi chambered Splash Guard Large diameter tube Alloy Transom

Our MD Series are great for using as a tender for a yacht or for someone looking to go on the water for an affordable price. Only going to size 3.0 these boats will easily fit on the roof of your truck or when packed into its bag it can comfortably sit the boot of your car.

Please call our Sales Staff to discuss.
