Packages From: \$31,999

Auckland Marine Centre

Description

Sea Storm 14 As Displayed Adventure Package: \$38,499

The Sea Storm 14 is a modern HDPE (High-Density Polyethylene) boat package, manufactured using rotational moulding technology, designed for buyers wanting a practical, low-maintenance poly boat with a more refined and capable on-water experience.

Choose Your Sea Storm 14 Packages:

Essential Package From: \$31,999 - 25hp Mercury Four Stroke + Galvanised Trailer + All Standard Features

Adventure Package: (MOST POPULAR) - As Displayed \$38,499 - 40hp Mercury Four Stroke + Premium Futura Alloy Trailer + All Standard Features

Performance Package From: \$40,499 - 40hp Mercury Four Stroke + Futura Alloy Trailer + Ladder + Rod Holders + Canopy + All Standard Features

Powered by a Mercury 40hp FourStroke and matched with a premium Futura alloy trailer, the **Adventure Package** delivers excellent stability, efficient performance, and low-maintenance ownership in a versatile package designed for fishing, family boating, and recreational use.

Designed for real-world New Zealand boating, the Sea Storm 14 combines durable HDPE construction, practical layouts, comfortable seating, and premium package presentation. Whether you're beach launching, fishing, cruising, or enjoying a day on the water with family and friends, the Sea Storm 14 is built to make boating simple.

The HDPE hull delivers a quieter, softer ride than many traditional aluminium boats while remaining incredibly durable and resistant to the knocks and demands of everyday boating. Unlike traditional fibreglass or alloy boats, HDPE won't corrode and requires very little maintenance, making it an ideal choice for long-term ownership. Combined with the refined layout, quality finish, and upgraded cross-stitch padded squabs, the Sea Storm 14 offers a noticeably more premium feel than traditional entry-level boats.

Sea Storm HDPE boats are becoming an increasingly popular alternative to traditional aluminium, fibreglass, and other poly boat designs thanks to their durability, comfort, and low-maintenance ownership.

Available with industry-leading 4.99% finance, the Sea Storm 14 package has been designed to make boating more accessible without compromising on quality, comfort, or usability.

Ideal for fishing, family boating, cruising, and buyers wanting a versatile package that is easy to tow, launch, clean, and enjoy.

SPECIAL FEATURES

Back Trunk 2 (35Ltr), Bench Seat, Tie Down Cleats, Front Trunk (55L), Side Rails, Steering Console With Windscreen, Deluxe Cross Stitch Squabs.
