

# SENATOR IS400

## Packages Starting From \$20,550

### Description

Originally designed as Senator's entry level model aimed at the first time boatie, the IS400 has evolved into a truly multi-purpose small boat. From towing the kids on a 'biscuit' to light tackle fishing or deep-water game fishing this little boat is a surprise package. The IS400s total length on the trailer allows it to be safely stowed in a smaller garage or left at the Bach, waiting for your next adventure
